

END OF YEAR UPDATE!

MAKING A DIFFERENCE, ONE *Life* AT A TIME.

This is how we know what love is: *Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth. 1 John 3:16-18*

During these uncertain times we have been blessed by your giving!

2020 has been a very interesting year for the pregnancy center, and because **our partners** showed love through giving generously, we have **accomplished** so much **during this year of uncertainty**. Your dedicated financial **support has allowed** the Black Hills Pregnancy Center to **positively impact the lives** of those who come through our doors seeking answers to their questions.

Here are some client comments:

“Thank you so much, I was lost at what to do, and you have all the information anyone could need”

“Very welcoming! Great for a first-time mom.”

“This was a great experience, I will tell others about this place and let them know it is a safe place and thank you for your help! You guys are amazing.”

Our Vision moving Forward in 2021.

Because of your partnership we **attained each of our goals** laid out for 2020. We **increased access** for our clients by adding a full time Client Services Director, this led to a **30% increase in new clients** for 2020. Adding an education classroom and dedicating a room for the ultrasound allowed us to meet the needs of **multiple clients** at one time. We also added two more nurses for our ultrasound program, increasing the number of **available ultrasound appointments by 100%**.

Our most immediate need is growing our monthly donor base. This is how we plan our budget **effectively and with wisdom**. This is **achieved** by individuals, churches, or organizations **committing to monthly support**. We are the boots on the ground interacting daily with these young mothers and there is much to be done.

Will you prayerfully consider becoming a monthly support partner?

We are humbled by the support we have received by our donors and the community during these uncertain times of 2020. **Please pray that our center will continue to serve and meet the needs of those in our community in 2021.**

One *Life* at a Time,

Travis
