

END OF YEAR UPDATE 2024

“The LORD supports all who fall, And raises up all who are bowed down. The eyes of all look to You, And You give them their food in due time.”

PSALM 145:14-15 NIV

TOGETHER, WE’RE ON THE FRONTLINES OF MINISTRY:

Being able to support unborn babies, mothers, and fathers is the essence of the ministry at Black Hills Pregnancy Center. This year, we saw a married couple return for their third pregnancy. With your help, we were able to support them with their first baby, but when Baby #2 came shortly afterwards, they panicked over finances and rushed into an abortion. They regretted not trusting God when He provided them raises a couple months later. But, with the resources your support provided, we were able to extend a hand of love, grace, and friendship to help them welcome their third baby with joy. That’s what the frontlines of this ministry looks like—showing love to people in all different situations.

LOOK AT WHAT CLIENTS HAD TO SAY:

A couple came in for pregnancy appointment and expressed, *“Wow! This is so different than the abortion place we went to last time for a pregnancy test!”*

“I really like the *Spiritual Application* portion of the *Earn While You Learn* homework and how they include a prayer.”

MAKE A DIFFERENCE IN 2025:

We are excited about the effective combination of our ultrasounds, pregnancy tests, patient advocates, and Earn While You Learn program. The stunning Baby Boutique continues to turn heads and give expectant moms something special for their babies. With your support, these successful programs and more have helped many families. Please consider how you can invest in the year ahead and impact lives for generations to come. *By becoming a monthly giver*, you can help us budget and plan needed projects.

OUR PROJECTS FOR 2025 INCLUDE:

- FINDING A LARGER FACILITY TO ACCOMMODATE OUR MINISTRY
