Making a Difference One *Life* at a Time

"God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them. We want each of you to show this same diligence to the very end, so that what you hope for may be fully realized."

Heb. 6:10-11 NIV

For some, walking in the doors of the Black Hills Pregnancy Center takes an act of faith. Mackenzie* was one of these people. **Facing a new pregnancy with no support**, she was **struggling to break free from the cycle of abortions**. When she was younger, her mother coerced her to have two abortions, and **now she is determined to carry this new baby to term**. Because of you, she has found a team of caring, involved people who will support her throughout her pregnancy.

God urges us to be diligent in our work and to continue to help others. And you have been faithful to this calling by supporting BHPC. Because of your diligence, we can continue to provide critical pregnancy support services to our community and to women like Mackenzie.

Your continued support has allowed our Earn While You Learn program **to see significant growth**. We went from **96 students in 2020 to 421 students in 2021**. This is an amazing opportunity for us to present the gospel and support our community through our parenting classes. **Thank you for blessing our center** to make such an impact on our clients.

The year ahead presents some interesting challenges. **We are now at capacity** at our facility on Centre Street **and are looking for a larger space that will meet the needs** of our growing *Earn While You Learn*, ultrasound and car seat programs. We will be starting a capital campaign in the near future to meet these needs.

By joining us as a **prayer partner** and a **monthly support partner**, you can help make a difference, one LIFE at a time as we stay diligent in the calling to help men and women in our community.
