Making a Difference One *Life* at a Time

**“The seed falling among the thorns refers to someone who hears the word, but the worries of this life and the deceitfulness of wealth choke the word, making it unfruitful.”
Matthew 13:22 NIV**

The bright days of summer breathe new life into our hearts after a long winter. Cultivated flowers and growing plants bask in the sun and are greeted with the songs of the robins and mourning doves.

But not everyone is feeling hopeful and rejuvenated this season. **For a woman facing an unplanned pregnancy, the worry of the world—including the burden of supporting herself and her future baby—has choked out every good thing in front of her.** Her seed of faith is struggling and is at risk of becoming unfruitful. Abortion’s siren song gives her false hope for a fast fix.

That’s where we come in. At Black Hills Pregnancy Center, **we are called to nurture that seed of faith** so it isn’t choked out by worry and anxiety. By extending the love of Jesus to this woman **we are planting seeds of hope.** By sharing meaningful conversations with each man and woman who come in our door, **we are constantly planting seeds** in their lives for a fruitful harvest yet to come.

With your help, this is what we are privileged to do every day. By joining us as a **prayer partner** and a **monthly support partner**, you can help **bring hope and healing** to a woman who may never have experienced the light of unconditional love before. Helping her see her own worth can open her eyes to the sanctity of the life of her baby.

Thanks to you and other partners, we have seen exciting growth. Our Earn While You Learn program has expanded, allowing more men and women to learn important skills for baby care and parenting. As they learn, they earn Baby Bucks to be redeemed for formula, diapers, outfits, cribs and more. Call to schedule a visit and **see how we are making a difference, one *LIFE* at a time.**
