# Making a Difference One *Life* at a Time

**“Then he told them many things in parables, saying: “A farmer went out to sow his seed...seed fell on good soil where it produced a crop—a hundred, sixty or thirty times what was sown.””**

**Matthew 13:3, 8 NIV**

Did you know that **you’ve invested** in a crop that has the potential of a hundred, sixty or even thirty times the output? Because any time a person like you is willing to brave the elements, go out into the fields, work the earth, and sow seeds all day long, a rewarding crop is produced.

It takes time and sacrifice to **invest in the lives of women** and men who are struggling as they face an unexpected pregnancy. But by making that sacrifice and **partnering with us in ministry**, **you’ve made a difference!** Because of you, we’ve already been able to reach 158 expectant mothers this year. Each year, our impact has grown and it’s all **because of you** and the faithfulness you’ve shown in **supporting this ministry**.

We’re excited about the future “crop” that is yet to be seen in the lives of many expectant mothers and fathers in the next few months. **Healed hearts, healthy and joyful pregnancies, and transformed lives are just a few of the results we get to see each day from the investment you have made.**

**Let’s celebrate** the blessings of the harvest! Join us at our annual **Fall Dinner on Sept. 17, 2021**, at Hills View Evangelical Free Church @ 13776 Sturgis Rd, Piedmont. This will be an **inspiring evening** with client testimonials and features Dr. Patti Giebink, former pro-choice doctor who performed abortions for Planned Parenthood and author of Unexpected Choice. The welcome **reception starts at 6:15 p.m.** with dinner to follow at 7:00 p.m.

Enjoy a delicious, catered dinner and good fellowship as we celebrate together the harvest made possible because of you. **Reserve your complimentary ticket today** at [bhpcpartners.org](http://bhpcpartners.org) or call 605-341-4477. There will be an opportunity for a financial faith investment to support Black Hills Pregnancy Center during this event.

Together, we are making a difference, one LIFE at a time.

One *Life* at a Time,

Travis Lasseter  
Executive Director

**Patti Giebink, M.D.**, is an OB/GYN physician who has over 30 years of delivering babies here and in hospitals overseas. While working in her private practice in Sioux Falls, SD, she began working part-time performing abortions at Planned Parenthood, the only abortion clinic in South Dakota. Eventually she closed her practice to work full-time at Planned Parenthood but left one year later in September 1997. She has not performed any abortions since.

Her book, *Unexpected Choice*, chronicles her career, her journey and her transformation and gives readers insight into both sides of this divisive issue. Dr. Patti now spends her time helping people find compassion and sensitivity to those affected by abortion.

# Making a Difference Through Partnerships

## Our Needs

### Medical Provider

We are seeking a local, pro-life medical provider to be a part of our ministry. Reading ultrasounds and establishing policies and procedures as a member of the Board of Directors.

### Fatherhood Program

It takes a male and female to make a baby, but it takes a man to be a father. We are looking for men who are willing to help us start a fatherhood program. These men need mentors who will help guide them to be fathers just like our advocates mentor and guide the women to be mothers.

### Prayer Partners

We are thankful Diane Ange has a heart for prayer and is heading up the Prayer Chain. If you would like to be on the Prayer Chain, please contact Diane at 605-721-3065 and leave a message. Thank you for joining with us in prayer for the center, clients and staff.

### Project and Development Director Job Opening

The ideal candidate is ministry minded, highly organized, outgoing, and constantly communicates with the Executive Director, fund raising committee members, and donors. Primary skills include: comfortable with basic computer programs (Microsoft Word, Outlook, etc.) and standard office equipment. Excellent communication and relationship-building skills are a must. Self-motivated, organized critical thinker with solid reasoning, decision-making and problem-solving skills and an independent worker, comfortable working with little supervision.

### Client Services Supervisor Job Opening
