EXCITED FOR THE FALL!

LIFE DINNER 2026 – JD HENDERSON JOINS AS THIS YEAR'S EMCEE

It's official — JD Henderson will take the stage as emcee for this year's Life Dinner! JD's journey to South Dakota began as a stage actor with the Black Hills Passion Play, and he's carried that gift for storytelling into every corner of his life since.

He and his wife Jennifer, who met in 2005 through their shared work with a Carmelite monastery near Cody, WY, have made Rapid City home since 2014 and are raising four children together. A co-founder of the KW Players Catholic Youth Theatre Troupe, JD also gives his voice to Healing the Culture and serves alongside his family with Freedom's Journey. Faith, family, and a heart for life — we're so glad he's joining us this year!

A HEART FOR THE LOST:

GUEST SPEAKER PASTOR MONTY SEARS

Pastor Monty Sears is a visionary pastor and inspirational speaker with over 35 years of fruitful ministry, devoted to the Church and the sacred Pro-Life movement. Known for his open arms and heart for the disenfranchised, he currently serves as Legacy Pastor at Christian Faith Center in Nampa, Idaho, where he grew the congregation from 300 to several thousand as Senior Pastor.

Monty now serves as Interim Lead Pastor at Bethel Church in Rapid City and co-owns Dream Builder Ministries. For the past five years, he's served as Community Relations Liaison at Lifeline Pregnancy Resource Center, alongside his wife of 44 years, Kelli, who directs the Nesting Place Maternity Home.

INVESTING IN YOUR COMMUNITY

FROM THE DIRECTOR:

"This is the Lord's ministry. He will fund it."

More than forty years ago, one of the founders of Black Hills Pregnancy Center spoke those words with confidence, believing that if this ministry belonged to the Lord, He would faithfully provide through His people.

Looking back today, we can confidently say He has.

One question I hear regularly is whether Black Hills Pregnancy Center receives financial support from the national pro-life organizations many people see advertised on television, hear on the radio, or find online.

The answer is often surprising.

While we are grateful for affiliations like Heartbeat International and Care Net, which provide outstanding training and resources for our staff, the day-to-day ministry of Black Hills Pregnancy Center is funded primarily by local churches, businesses, foundations, and faithful individuals throughout the Black Hills.

National organizations and local pregnancy centers each have an important role to play in protecting life. Their missions are often different, and so are the ways they operate. Many provide education, advocacy, training, or specialized programs that strengthen the pro-life movement as a whole. Local pregnancy centers provide direct care to the women, men, and families who walk through their doors each day.

If your heart is to impact families in the Black Hills, the

most direct way to do that is by investing in your local pregnancy center.

Your generosity stays here. It provides pregnancy tests, ultrasounds, parenting education, fatherhood mentoring, material assistance, and compassionate support for families facing difficult decisions. Every life touched through this ministry is possible because God has faithfully provided through people who care about their own community.

Thank you for being part of that provision. Your prayers, your encouragement, and your generosity continue a legacy of faith that began more than forty years ago.

"This is the Lord's ministry. He will fund it."

And He continues to do so—through His people.

to find a place where you can have an impact
and make a difference, one life at a time.

TRAVIS LASSETER
EXECUTIVE DIRECTOR

As the Director of the Black Hills Pregnancy Center, Travis Lasseter brings over 3 decades of experience in working with people, building teams, and making critical decisions. His diverse background includes healthcare management, operations, outreach, and service.

HOPE AFTER THE FIRST PILL:

UNDERSTANDING ABORTION PILL REVERSAL

Abortion Pill Reversal (APR) offers a path for women who've taken the first pill in a chemical abortion but have since changed their minds. The protocol works by administering progesterone to help counteract mifepristone, and is most effective when started within 24-72 hours of that first dose. Proponents of APR point to a 64-68% success rate in reversing the process.

Locally, the Black Hills Pregnancy Center has walked alongside women who reached out through the APR hotline, received medication, and came to us for follow-up ultrasounds.

To learn more, visit abortionpillreversal.com or call **1-877-558-0333**.

MISSION IN MOTION

ADOPT A MOM:

HELP WELCOME A NEW LIFE!

Your \$25 donation gifts a new mom with a layette starter kit given at her pregnancy test appointment or a new mom care kit given near delivery with personal items for her. What an encouragement for new moms! Goal: \$15,000 for 300 layettes and 300 New Mom Care Kits.

DAY OF GIVING:

Tuesday, Dec. 1st, 2026

THANK YOU DONORS!

2026 CLIENT PARTY HELD JULY 23:

FAMILY & COMMUNITY AT CANYON LAKE PARK

This summer, we were able to celebrate the families who have benefited from our Earn While You Learn Program. We enjoyed a meal together and water play activities as new friendships were created. It is always fun to gather everyone together to showcase healthy play. We would like to thank Generation Plumbing for their sponsorship and AJ at Trendz Salon for helping with the snacks.

MUSIC THAT BRINGS US TOGETHER:

UNITY AT HILLS ALIVE

Once again the Black Hills Pregnancy Center participated in Hills Alive. Despite the high temperatures, we had so much fun! Visitors to our tent enjoyed some shade and received balloons, candy, pro life bracelets, hair ties and lots of information on our services. Thank you to all who volunteered and made the event successful!

PRAY! We believe this is the greatest support you can give us. **Praise the Lord!**

VOLUNTEER! Many areas to serve here, reach out to find out how you can join the team!
